“REDEFINE LUXURY”

Solitairian City will redefine international luxury standards, offering world-class amenities and an unparalleled lifestyle experience.

Solitairian City is located within the Buddh International Circuit -one of the best F1 racing circuits in the world, designed to wow the world's motor sports fraternity with 41 stunning pit garages, 18 lavish team buildings, a swanky paddock club, a state-of-the-art 500-seater media center, and more.

Our aspiration for Solitairian City is to create a unique venue with a special ambience incorporating free-flowing elements and reflecting the F-1 theme: the road along the tower is based on the model of the F 1 track with meandering curves; the blocks are named 'Turbo', 'Speed' and 'Pace' and the simplicity in design is retained with an arc design, facing the F 1 track.
